How to Redeem Your New Employee Season Tickets

If you have not activated your account with our new ticketing program, you will need to follow instructions in your activation email or contact the ticket office to get your 1 time use pin number. After activating your employee account through Weberstatetickets.com, you then will have access to the Employee Tickets, where you will request which sports you want tickets for. The following steps will help you through the process of ordering tickets.

Tickets will be allocated on best available and not on prior seat location. We will have them sent to your email within 3 business days.

We thank you for your support of Weber State University and for your patience through this time of transition.

Claim Your Tickets:

Step 1: Log into your account using your email or account number in the upper box and the password you set up when linking your account.
Step 2

- Click on **EMPLOYEE TICKETS** Bar
- Then Click **PURCHASE** on the event you would like season tickets in.
STEP 3:

- Add how many season tickets you would like. You get 2 Free Employee Tickets and can get up to 2 Additional Tickets at half price.
- Then ADD TO CART

STEP 4

- Click Continue Shopping if you would like to order season tickets for other events, or click Checkout if you are done ordering tickets.
- If you want to order more tickets repeat with Step 2 and 3 until you are done ordering tickets.
- When done click Checkout and then Place Order
Your Order Confirmation page will look like this

You will now be able to enjoy the convenience of managing your tickets online. You will even be able to electronically transfer tickets for the “Manage My Account” button.

If you would like to order the Paid Employee Additional Tickets follow step 2 but instead of clicking Employee Tickets click Paid Additional Employee Season Tickets.

Tickets will be allocated on best available and not on prior seat location. Tickets will be sent to your email within 3 business days.
Additional Half-Price Tickets will require payment at time of selection.
